- STEP 1: Cut 160cm of leather cord, slide one Swarovski Pendant article 6620 40mm Crystal Zebra onto it. Adjust the pendant so that one end of the cord is 95cm and the other end is 50cm long. Tie a knot in the cord as shown.
- STEP 2: Slide the longer end (95cm) through the front hole of the Pendant towards the back making a loop of 80cm at the top and the remaining 15cm will be behind the Pendant. Hold the 15cm end with your fingers and start wrapping the 50cm cord end tightly around the knot and the Pendant as shown in the illustrations.

The Pendant should be placed in such a way that 30cm of cord end is on the front side and 20cm of cord is on the back side. Make a loop using the 20cm cord end at the back side of the Pendant. Hold this end with your fingers and start wrapping the longer end (30cm) around the Pendant and the loop. Tie a knot using both thread ends at the back of the Pendant. Cut them off at different lengths as shown in the illustrations.
